PLEASE RETURN SURVEY TO:

CARNEGIE ENDOWMENT FOR INTERNATIONAL PEACE. FACE-TO-FACE ATTN.:

KATE LUSHECK, 11 DUPONT CIRCLE, NW, WASHINGTON, D.C. 20036

**Carnegie Endowment for International Peace**

**Face-to-Face**

Face-to-Face is a forum facilitating dialogue among American governmental and nongovernmental participants on major international issues.

**August 8, 1988**

**Dear Face-to-Face Participant:**

Although Face-to-Face receives many welcome updates and additions to our invitation lists throughout the year, a systemic effort is also needed to keep these lists up-to-date and targeted to the programs we are sponsoring. We would therefore appreciate your completing the enclosed one page survey to verify existing information, and to clarify your specific areas of foreign policy interest which have perhaps shifted or are unknown to Face-to-Face.

Name, address and position changes should be highlighted in the General Information section. A participant who would like to have their invitations sent to a home address because of mailroom delays should also indicate this preference in the first section. (We would ask home addressees, however, to be certain to inform us when they change positions or affiliations.)

The second segment of the questionnaire asks you to check the geographical and functional Face-to-Face invitation categories which are of direct professional interest to you. The third section allows you to make recommendations for Face-to-Face invitations. Responding to this section will help us substantially to ensure that the participants in a Face-to-Face evening are indeed a cross-section of government and nongovernment persons concerned with the foreign policy issue under discussion.

Would you please return the enclosed survey as soon as possible, as we have already begun to arrange for the fall Face-to-Face programs. If you have any questions, please feel free to telephone me or the Face-to-Face program coordinator, Ms. Kate Lusheck, at (202) 797-6414. Thank you for your time and cooperation, and we hope to see you at Face-to-Face in the upcoming months.

My apologies for the form letter, which the sheer volume of this survey necessitated.

Sincerely,
